

I, the undersigned, being a parent or guardian of a student who will be participating in an Accomack County Public Schools Chess Club as a member, acknowledge that he/she has been advised of the following:

1. An employee of the school will be present at all ACPS Chess Club meetings.
2. There are NO grade requirements. All students are welcome.
3. The ACPS Code of Student Conduct applies to the Chess Club.
4. A member may be dismissed from the Chess Club for misbehavior or inappropriate language.
5. Club members are expected to be picked up promptly at the club meeting end time. In fairness to our staff and coach, after the second late pick up, the student will be excluded from the club. In the future, bus transportation home may be provided from school according to late bus schedule.
6. The Chess Club is made possible by funding by the Accomack County Public Schools and donations from the Landsberger Foundation and support from the greater community.
